

## Deep End North East and North Cumbria Fellowship

### What:

- 'Bolt on' to the new to practice fellowship offered by HEE
- Funding for one clinical professional development session (CPD) in addition to the CPD session as part of the new to practice fellowship for 2 years

### Who:

- GP fellows working in Deep End practices in the North East on the new to practice fellowship funded by HEE
- Open to all newly qualified GPs in first 2 years post CCT
- Substantive contract with a Deep End practice

### What it involves:

- CPD to allow time to participate in Deep End meetings and activities
- Peer support from other Deep End clinicians
- Funded time for in practice quality improvement projects to benefit fellow and practice

### Aim:

- Improve recruitment to Deep End practices
- Support newly qualified GPs working in Deep End practices
- Allocated time for quality improvement projects for the practice

### How to apply:

- Contact the Deep End educational lead directly
- Option to select Deep End fellowship on HEE new to practice fellowship site (to be set up)

E-mail:

Dear Deep End practices,

The Deep End network are excited to announce a new Deep End fellowship. This will be the form of a 'bolt on' to the new to practice fellowship offered by HEE for newly qualified GPs within 2 years of CCT. The fellowship will fund an additional CPD session for the fellow to participate in Deep End activities (webinars, meetings), provide additional peer support from other Deep End clinicians and allow time for quality improvement projects within the practice.

Please see the attached information leaflet for further details.

Please do not hesitate to contact me with any questions and expression of interest.

Best wishes,

Matthew Armstrong

Deep End NENC educational lead.
